Area Echo

"MIGHTY MIKE"

This year the population of Carmichaels Area High School was increased and symbolized by the birth of our mascot–"Mighty Mike." For years Carmichaels was without a formal representative, although many were tried but proved to fall short of the power needed to represent our school.

During the summer, Mr. Harr, our principal, mused over the various "drawing-board" ideas until one lively idea seemed to dominate all the others. With the creative aid of an artist friend, Mr. Harr's idea was given form and substance and became a reality. "Mighty Mike" was born. His smiling face, short muscular legs, and extremely brawny, powerful chest capture the undercurrent of strength and forcefulness needed to effectively represent C.A.H.S. "Mike" has a large blue "C" on his chest, and on his small, square yellow cap houses the mighty "M" symbolic of the "Mikes." This blue and gold mascot not only displays our school colors, but, also, instills fear and trembling in the hearts of our rivals.

"Mighty Mike," during his short reign at Carmichaels, has been pictured on tankard mugs that were awarded as prizes during a magazine campaign this year. "Mike" is also proudly displayed in the right hand corner of our new marquee which was recently erected near the Route 88 roadway. The Carmichaels symbol of strength is also available in a beautiful chenille print to be sown on jackets or sweaters. Plans for the new school rings also include the image of our new mascot.

The development and birth of Mr. Harr's idea has created and materialized a great sense of pride in the students "Mighty Mike" so boldly represents. "Mighty Mike," our symbol of strength, power and cheerfulness, has become a source of inspiration to the students of Carmichaels Area High School.

"MIGHTY MIKE"

This year the population of Carmichaels Area High School was increased and symbolized by the birth of our mascot–"Mighty Mike." For years Carmichaels was without a formal representative, although many were tried but proved to fall short of the power needed to represent our school.

During the summer, Mr. Harr, our principal, mused over the various "drawing-board" ideas until one lively idea seemed to dominate all the others. With the creative aid of an artist friend, Mr. Harr's idea was given form and substance and became a reality. "Mighty Mike" was born. His smiling face, short muscular legs, and extremely brawny, powerful chest capture the undercurrent of strength and forcefulness needed to effectively represent C.A.H.S. "Mike" has a large blue "C" on his chest, and on his small, square yellow cap houses the mighty "M" symbolic of the "Mikes." This blue and gold mascot not only displays our school colors, but, also, instills fear and trembling in the hearts of our rivals.

"Mighty Mike," during his short reign at Carmichaels, has been pictured on tankard mugs that were awarded as prizes during a magazine campaign this year. "Mike" is also proudly displayed in the right hand corner of our new marquee which was recently erected near the Route 88 roadway. The Carmichaels symbol of strength is also available in a beautiful chenille print to be sown on jackets or sweaters. Plans for the new school rings also include the image of our new mascot.

The development and birth of Mr. Harr's idea has created and materialized a great sense of pride in the students "Mighty Mike" so boldly represents. "Mighty Mike," our symbol of strength, power and cheerfulness, has become a source of inspiration to the students of Carmichaels Area High School.
